# Security forces stress traffic law enforcement

Over the past several months there has been an increase in the number of people who choose to ignore the speed limits, fail to obey the traffic signals or traffic signs and illegally park their vehicles.

This adds to traffic congestion and can create hazards for other drivers and emergency vehicles. 377th Security Forces will be initiating a campaign to enforce the base traffic codes and instill a safe and efficient movement of traffic.

In accordance with Air Force Instruction 31-204, *Air Force Motor Vehicle Traffic Supervision*, Kirtland AFB Supplement 1, no one will exceed the maximum speed limit set forth in the instruction.

The speed limit for vehicles on this base is 30 mph on roadways, and 10 mph in parking lots, unless otherwise posted.

Failure to obey traffic signals or signs requiring a full stop or yield of the right of way is another violation observed and one that will not be tolerated.

Vehicles may be parked only in designated parking slots. Parking on seeded areas, non-designated sections of parking lots, along yellow curbs, sidewalks, on dirt areas, within 30 feet of a stop sign or within 15 feet of a fire hydrant is prohibited.

All vehicles parked in the housing area must be operable, with current license registration and a base decal. Parking or storage of inoperative vehicles in the housing area is prohibited.

Recreational vehicles of all types, including campers, utility trailers, boats, jet skis and racing vehicles, are allowed in the housing area for a 48-hour loading or unloading period only.

Contact Outdoor Recreation, 846-1499, to store at the RV Storage Lot, or the Famcamp trailer park at 846-1499.

Violators of the base traffic codes will be cited and assessed points or fines in line with the New Mexico statutes.

The traffic point system on Kirtland AFB will be assessed according to Air Force Instruction 31-204 and Air Force Materiel Command Supplement 1.

Fines can range from \$53 to \$243 or require a mandatory court appearance. Repeated violations will result in the loss of the driver's base driving privileges.

Strict enforcement is necessary to keep thoroughfares clear for emergency vehicles and to maintain the integrity of our fragile desert environment.

Driving a government-owned vehicle or a privately-owned vehicle on the installation is a privilege granted by the installation commander. Accepting that privilege, drivers must comply with the laws and instructions governing motor vehicle operation.

Direct questions regarding this matter to the 377th Security Forces Squadron Police Services section at 846-0309.

## Employers showcased at job fair

More than 80 employers are registered to meet potential job candidates at the Kirtland AFB job fair Feb. 27. The fair sponsored by the Family Support Center is 9 a.m.-3 p.m. in the Rio Grande Community Center, Building 20226, across from the bowling alley.

The fair is open to everyone with valid entry to the Kirtland AFB.

"Several employers have voiced very positive reasons why they enjoy attending this particular job fair," said Leslie Kuykendall, Career Focus Program manager. "The employers are very eager to attend...because they are aware of the quality of the human resource (of applicants from Kirtland AFB)."

The fair this month features more employers in a larger space in the community center. Drawings for prizes are open to fair goers who are active duty military, Guard or Reserve, retired military and family members and DOD civilians and their eligible family members.
